

We are excited to introduce you to our latest Mystery Quilt—Fool's Gold Mystery Quilt: Scrap Buster #8! The quilt was inspired by #1 *New York Times* best-selling author Susan Mallery's Fool's Gold romances and was stitched by *Quilter's World* Editor Carolyn Vagts. The 8-week project is being presented to you by *Quilter's World* (QuiltersWorld.com) and Susan Mallery (www.susanmallery.com).

Here's how the mystery quilt works. The fabric requirements and cutting instructions are given the first week. Construction steps are posted in the following weeks—just enough to keep you guessing! On the last week, we will give you the final construction steps and reveal the mystery.

Begin by digging through your stash for scraps or yardage in assorted light, medium and dark values as instructed

in Fabric Requirements, or purchase new coordinating fabrics. It is important to remember that mystery-quilt patterns emerge best when high-contrast fabrics in color and/or value are chosen. Do not select directional fabrics unless you are willing to ignore their prints. Gather the total yardages listed.

Now get ready to have some fun!
