**Step 3.** Cut out shapes, leaving at least 1/4” beyond the traced lines as shown in Figure 1.

**Step 4.** Select one A paper foundation pattern unit and one piece A1 fabric piece for that section; turn the paper to the unmarked side and pin piece A1 over the space marked A1 with the wrong side of A1 against the paper. Select piece A2 and pin right sides together with piece A1 on the edge with the line between pieces A1 and A2 as shown in Figure 2.

**Step 5.** Turn the paper over and stitch on the line between pieces A1 and A2, taking at least one stitch before the beginning of the line and at the end as shown in Figure 3.

**Step 6.** Turn the paper over to unmarked side, press piece A2 to the right side as shown in Figure 4. Trim seam allowance to 1/4”, if necessary.

**Step 7.** Repeat with piece A3 on pieces A1 and A2 as shown in Figure 5.

**Step 8.** Repeat with all pieces for the A unit; trim outer edges even with outer line on paper pattern to complete the A unit.

**Step 9.** Repeat all steps to complete four each A, B, C, D and E units.

**Step 10.** Join one each B, C, D and E units, and add an A unit as shown in Figure 6, to complete one quarter unit; repeat to make four quarter units.

**Supplies**

- Batting 53” x 27”
- All-purpose thread to match fabrics
- Quilting thread
- Copy paper
- Basic sewing tools and supplies
Step 11. Join four quarter units as shown in Figure 7 to complete one Spinning Snowflake block; press seams open as stitched. Remove paper backing.

Step 12. Repeat Steps 4–11 to complete a total of three Spinning Snowflake blocks.

Step 13. Complete four additional quarter units using the remaining pieces; set aside for the setting triangles.

Completing the Setting Triangles
Step 1. Prepare nine copies of each section F–I of the Setting Triangle paper-piecing patterns. Make one copy of the J triangle pattern and use to cut eight J triangles.
Step 2. Repeat steps for making Spinning Snowflake blocks, making eight of each unit F–I referring to Figure 8. Join the paper-pieced sections to make eight each F-G units and H-I units, again referring to Figure 8. Add a J triangle to each H-I unit to complete eight H-I-J units. Press seams open.

Step 3. Sew an F-G and an H-I-J unit to one quarter unit as shown in Figure 9 to complete one side-setting triangle; press seams open.

Step 4. Repeat to complete a total of four side-setting triangles.

Step 5. Join one each F-G and H-I-J unit to complete one corner-setting triangle as shown in Figure 10; press seams open.

Step 6. Repeat to complete a total of four corner-setting triangles.

Completing the Side & End Units
Step 1. Prepare seven copies of each section K, L, O and P of the Side and Reversed Side Unit paper-piecing patterns, and three copies of each section S, T, W and X of the End and Reversed End Unit paper-piecing patterns. Make one copy each of the M, N, Q, R, U, V, Y and Z triangles and use to cut six each M, N, Q and R triangles and two each U, V, Y and Z triangles.
Step 2. Repeat steps for making Spinning Snowflake blocks to make six each unit K and L and O and P referring to Figure 11. Join one of each K and L sections and add M and N triangles.
to make an N unit, again referring to Figure 11. Join one of each O and P sections and add Q and R triangles to make an R reversed unit, again referring to Figure 11. Press seams open.

Step 3. Join one each N unit and R reversed unit to make a side unit as shown in Figure 12; press seams open. Repeat to make a total of six side units.

Step 4. Repeat steps for making Spinning Snowflake blocks to make four each AA and BB units as shown in Figure 15.

Completing the Corner Blocks

Step 1. Prepare five copies of each section AA and BB of the Corner Block paper-piecing patterns.

Step 2. Repeat steps for making Spinning Snowflake blocks to make four each AA and BB units as shown in Figure 15.

Step 3. Join one each AA and BB unit to make one Corner block as shown in Figure 16; press seams open. Repeat to make a total of four Corner blocks.

Completing the Topper

Step 6. Sew an end strip to opposite ends of the pieced center to complete the pieced top referring to the Placement Diagram for positioning of strips.

Step 7. Press the quilt top on both sides; check for proper seam pressing and trim all loose threads.

Step 8. Sandwich batting between the stitched top and prepared backing piece; pin or baste layers together to hold. Quilt on marked lines and as desired by hand or machine.

Step 9. When quilting is complete, remove pins or basting. Trim batting and backing fabric edges even with raw edges of the quilt top.
